The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Campbell Avenue Extension project for fiscal year 2024. The entity to receive funding for this project is the Town of Sahuarita, Arizona.

The funding would be used for design and construction of a new two-lane roadway section extending Campbell Avenue in Sahuarita, Arizona south to Whitehouse Canyon Road within Pima County. The project is an appropriate use of taxpayer funds because it will complete a section of roadway that will connect the Town of Sahuarita to Pima County. The extension of Campbell Avenue will provide safe access to and from the residential communities, and will serve many schools, a national forest and other important community facilities.

The project has a Federal nexus because the funding provided is for purposes in 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
